SIR,

Subject: Re: Staff for demonstration kitchens and their work.

With reference to your letter No.SD.3490/A.94-46-4 dated 1-11-46, in the above matter, I have the honour to state as follows:-

2. 83 demonstration kitchens in all worked in the districts of Tumk Chitaldrug and Kolar during the months of July, August and September 1946, when cooking of several uncommon articles of food such as wheat flour, Maize,and dehydrated potatoes were used and also demonstrated very effectively to the public. Kitchens were run on two and sometimes three days in a place. In all 83,351 persons were fed in the kitchens with the above preparations. Reconstituted milk was distributed to 8,151 expectant and nursing mothers and 38,267 children in these kitchens. A copy of the detailed report in this matter received from Mr.C.I.Machia, has been sent to you with this office letter of even number dated 9-11-46. During October 1946 two kitchens were run in Doddaballapur Taluk. A copy of Mr. Machia's report with a statement showing the number of persons fed as 1333 and those served with milk as 701 is enclosed for perusal.

3. During this month the staff sanctioned for this work are attending to compilation of accounts connected with the above and for inspection of free milk distribution through schools in distress districts. The Government Order No.SD.3524-26/A.94-46-5 dated 1-11-46 provides sanction for the staff till the end of this month. As it does not appear necessary to continue these demonstration kitchens, I am requesting Mr.Machia to disband the entire staff from 1-12-46. The milk distribution work will be carried on by the staff of the

or a total of 1,29,204 persons attended 83 kitchens giving an average of 1,556 persons per kitchen for 3 days or 500 persons per day per kitchen.

The cost per head of articles used works out to about 6 pies per head of population. The cost of running the kitchens i.e. white-washing buildings, fuel, condiments, wages, etc., is not included. This cost is not expected to exceed Rs.1,500/- and even if this is included, the average cost should not exceed 9 pies per head. These accounts are under compilation and will be submitted to you very shortly.

Before closing, I should like to stress the recommendation previously made in my letter No.F.R. 9-1/46-7 dated 30th. August, 1946, regarding the utter inadequacy of the Daily Allowance drawn by my Inspectors and Assistant Inspectors, Drivers, Cleaners and Attenders. The rate now admissible is

Inspector	Rs.	1- 5- 4.
Assistant Inspector. (Stenographer)...	"	0-13- 4.
Driver	"	0-12- 0.
Cleaner	"	0-12- 0.
Attender	"	0-12- 0.

The minimum rate charged in hotels as I know personally is Rs.0-12-0 for each meal or Rs.1-8-0 per day for the two principal meals. The staff have had an extremely strenous time and the health of one or two of them has suffered on this account. I believe it would only be fitting that they should be paid enhanced rates of Daily Allowance as noted below failing which the staff will be put to considerable loss when the advances against them are recovered.

Inspectors ...	Rs.	2-3-0.
Asst. Inspectors ...	"	1-8-0.
Drivers, Cleaners & Attendar. ...	"	1- 8-0.

This may be considered favourably.

Finally, I may be permitted to mention the unfailing co-operation I have received from all the Deputy Commissioners, Sub Division ~~Officers~~ Thanas and Builders concerned without which the
